# Bridge Gem (v3.0.22) Release Notes

**2025-06-02     v3.0.22**

*New Features*

1. Director and Scorer textboxes converted to dropdown lists
2. New version of user guide '***Running an Event'*** which decribed how to use the above
3. New user guide '***SOS – How to get help in an Emergency***'

*Bug Fixes*

*Notes*

1. The Director and Scorer Names textboxes in the Event form have been converted to comboboxes with dropdown lists. Names typed into these controls are remembered. Directors and Scorers names can be added or removed from these lists using the ***Insert*** and ***Delete*** keys on the keyboard. A full description of how to do this is documented in the v3.0.22 version of the User Guide, ***Running an Event***.
